In hospital operations, strong risk and quality management is the key to reducing the risk of claim and loss. It is also crucial to improving patient safety and is one of the most urgent issues facing healthcare today. The Kaye/Bassman Case/Quality/Risk (CQR) Practice is called upon by leading health systems to handle the most challenging and critical searches.

Kaye/Bassman is known as the firm that can be counted on to fill your positions in a timely manner with the best talent. Our extensive experience on both the clinical and administration side of healthcare gives us a unique understanding of the healthcare world and a competitive advantage in the search realm.

Kaye/Bassman specializes in placing both permanent placement full-time regular and locum tenens positions nationwide. Our synergistic approach allows us to recruit and consult at all levels. Since the first examination was administered by the HQCB in 1984, more than 15,000 professionals from a wide variety of educational and employment backgrounds have registered for the CPHQ examination, with more than 11,000 achieving certified status. There are currently over 8,600 active CPHQ's in the United States and worldwide.

Kaye/Bassman has the tenure and the resources to help clients address these staffing challenges. We have a proven track record in placing highly skilled candidates at key institutions across the nation for select clients. We succeed because of the tremendous value we place on long-term client and candidate relationships.
