HEALTHCARE INFORMATION TECHNOLOGY

ABOUT KAYE/BASSMAN

Kaye/Bassman was founded in 1981 with the mission to positively impact companies and enhance careers by providing the finest in professional, executive, technical and scientific search.

Our mission coupled with our *Client Focused Search™* approach and *Market Mastery* has vaulted us to become the largest single-site search firm in the country.

It is our **Specialization** by functional area, industry sector, position and geographic location; **Flexibility** in customizing our process, relationship and terms around the unique needs and expectations of our clients; **Array of Services** that ensures our ability to handle any staffing challenge; and **Track Record** of success enables our clients to gain a competitive advantage and candidates to advance their careers.

The Kaye/Bassman Healthcare Information Technology Practice has excelled for over a decade, serving the changing needs of our dynamic industry. Our Healthcare Information Technology Practice is a team of highly skilled and experience-savvy consultants. The tenure of our senior leaders averages over a decade.

We have a proven track record of placing healthcare information technology professionals ranging from System Analysts, Senior Analysts, Project Managers, HIPAA, Program Managers, Managers, Directors, Vice Presidents and Chief Information Officers.

Kaye/Bassman's clients include premier hospitals, national health systems, healthcare outsourcing companies, software vendors and consulting organizations.

Our extensive knowledge base and proven track record enables the Healthcare Information Technology Practice to expeditiously yet thoroughly customize and complete each search. We customize each search agreement to best meet the needs and expectations of our clients. Our track record shows tremendous success in completing single position searches as well as multiple positions.
