

# Milwaukee, Wisconsin

## City Guide

### *“Beer City”*

Milwaukee is the largest city in the state of Wisconsin, conveniently located on the coast of Lake Michigan and about 90 miles driving distance from the great city of Chicago. Chicago is a huge, bustling city, and the third biggest city in the country, right after New York City and Los Angeles. When in Milwaukee, easily take an affordable bus, train or ferry ride to Chicago to avoid the usual traffic. Chicago is a hub of entertainment and commerce with five of the tallest buildings in the world. Like Milwaukee, it has miles of public beaches. North of the Chicago River (also a must see) is the Magnificent Mile, having the city’s largest shopping district. Travel up to the Willis Tower to see truly astounding views of Illinois, Indiana, Wisconsin, and Michigan.
