

Position Specification

Pharmacy Clinical/Operations Manager & Clinical Pharmacist Opportunities Al Jalila Children's Specialty Hospital-located in Dubai, United Arab Emirates

Opportunity:

Al Jalila Children's Specialty Hospital is currently seeking a full-time **Pharmacy Clinical Manager** and a **Pharmacy Operations Manager**, along with full-time **Clinical Pharmacist** position, at its ultra-modern, 200-bed state-of-the-art pediatric medical facility, located in Dubai, United Arab Emirates (UAE). This is an opportunity to build a department from the ground up, developing the clinical and operational initiatives. The department is a U.S. based model, with Cerner, Pyxis, and the first automated Robot in the outpatient pharmacy in the UAE.

Inaugurated in 2016, Al Jalila Children's is the first dedicated children's hospital in the UAE. Its world-class team of highly-qualified medical and clinical experts will set new standards for healthcare excellence on a local, regional and international level. The hospital is a place where SMART technology and design converge to enhance patient care and outcomes. It hosts the first robotic pharmacy in Dubai, and a fully automated laboratory. The hospital also aims to foster clinical innovations, astute learning and development programs and cutting-edge research facilities.

"Our goal is to expand our team of world-class medical and clinical experts in order to fill the regional gap in specialty pediatric medicine, while setting new standards for healthcare excellence on a local, regional and international level," said Dr. Mohamed Al Awadhi, the Chief Operating Officer at Al Jalila Children's. "Our vision is for Al Jalila Children's to become one of the top 10 pediatric hospitals in the world."

Al Jalila Children's operates six flagship Centers of Excellence that cover the most sought after care in the region. Each center is staffed with the highest caliber of medical professionals and the latest in technology to facilitate the best possible care to its patients.

This position(s) provides opportunities to work in a fast-paced, challenging, diverse, rewarding and cultivating environment. As an employee you will enjoy tailored work/life programs, as well as generous benefits and relocation assistance packages. Salary is commensurate with education and experience.

In short, Al Jalila's Specialty Hospital is an outstanding place to work – "A Place Where I Can Be a Child."

Position Specification

Pharmacy Clinical/Operations Manager and Clinical Pharmacist Opportunities

The Position(s):

Reports to: This position(s) will report directly to the Director of Pharmacy at Al Jalila Children's.

The Organization: Al Jalila Children's Specialty Hospital

The hospital was created under the directive of His Highness Sheikh Mohammad Bin Rashed Al Maktoum, UAE Vice President, Prime Minister and Ruler of Dubai, to affirm his strong belief that all children should have an equal opportunity for success in life, and the treatment of children suffering from illness or disease should not be the subject of geographical chance. The medical facility was named after the Prime Minister's daughter, Sheikha Al Jalila.

Customized in a child and family-friendly environment, Al Jalila Children's Hospital offers a full-fledged Hospital Pharmacy, where a team of highly qualified pharmacists and technicians make sure that right medications are dispensed and administered safely and effectively; an Emergency Department and Outpatient Department, supported by a comprehensive Imaging and Radiology Department; as well as Nuclear Medicine, a Clinical Laboratory Department, Rehabilitation Services and several other specialized medical services. The hospital also hosts a 375-seat teaching auditorium, and specialized units for pediatric trauma, transplant, dialysis and oncology care.

The hospital's design quickly won recognition for its futuristic style and eco-friendliness. In November 2009, Al Jalila Children's was awarded first place, out of 210 worldwide entries, in 'Future Health Projects' at the World Architectural Festival (WAF) in Barcelona, Spain. In 2011, the hospital won the Hospital Build Award for the Best Sustainable Hospital Project.

Al Jalila Children's care and attention goes beyond the patients and reaches out also to their families, for the hospital firmly believes that all children are entitled to live a happy and normal childhood regardless of their medical condition.
