

CONSTRUCTION SEARCH PRACTICE

ABOUT KAYE/BASSMAN

Kaye/Bassman was founded in 1981 with the mission to positively impact companies and enhance careers by providing the finest in professional, executive, technical and scientific search.

Our mission coupled with our *Client Focused Search™* approach and *Market Mastery* has vaulted us to become the largest single-site search firm in the country.

It is our **Specialization** by functional area, industry sector, position and geographic location; **Flexibility** in customizing our process, relationship and terms around the unique needs and expectations of our clients; **Array of Services** that ensures our ability to handle any staffing challenge; and **Track Record** of success enables our clients to gain a competitive advantage and candidates to advance their careers.

Clients and candidates have relied on Kaye/Bassman for our executive search expertise and construction market knowledge. Our Construction Practice consists of several of our most tenured partners, as well as, search consultants and research professionals. Our construction recruiting track record is unmatched and our clients offer some of the best construction careers in the industry.

We have conducted thousands of searches from entry level to executive level over the past two decades with clients including small to mid-sized regional firms, as well as, large national corporations throughout the United States.

While each of our clients' business models differ, they all share the need to partner with an experienced, specialized search firm capable of helping them grow by identifying, attracting and acquiring the industry's top talent on their behalf. Regardless of your unique requirements, our *Client Focused Search™* approach has enabled us to deliver unparalleled results regardless of the functional area, industry sector, and level of position or geographic location involved.
