

ACADEMIC SURGERY

ABOUT KAYE/BASSMAN

Kaye/Bassman was founded in 1981 with the mission to positively impact companies and enhance careers by providing the finest in professional, executive, technical and scientific search.

Our mission coupled with our *Client Focused Search™* approach and *Market Mastery* has vaulted us to become the largest single-site search firm in the country.

It is our **Specialization** by functional area, industry sector, position and geographic location; **Flexibility** in customizing our process, relationship and terms around the unique needs and expectations of our clients; **Array of Services** that ensures our ability to handle any staffing challenge; and **Track Record** of success enables our clients to gain a competitive advantage and candidates to advance their careers.

The Kaye/Bassman Academic Surgery Practice is a team of highly skilled consultants with more than 100 years of combined recruiting and consulting experience in healthcare. Our proven search capabilities result from a deep understanding of the surgery marketplace. Like the clients we serve, we are specialists. We believe that doing one thing extremely well best serves our clients and candidates. Therefore we specialize in placing surgeons within academic institutions and academic hybrids on a national basis.

Our team recruits and consults for the academic surgery community nationally at all levels including Chairs, Vice Chairs, Directors, Division and Section Chiefs, clinical faculty and basic scientists. Our expertise includes a broad spectrum of subspecialists within the academic surgery domain.

Kaye/Bassman has a track record of placing highly skilled physicians at key institutions across the nation. We are proud of the long-term client and candidate relationships that have been built over the years.
