At Kaye/Bassman, our Clinical Hematology and Oncology Recruitment team partners with community and private practices, hospitals, health systems, and academic centers nationwide to identify and place exceptional clinical talent. We specialize in recruiting physicians and specialty-specific leaders who bring clinical excellence, compassion, and vision to the organizations they serve.

With decades of experience in healthcare recruitment, our consultants understand the unique demands of oncology and hematology — from evolving treatment protocols and multidisciplinary collaboration to the balance of patient-centered care and operational efficiency.

Our team has successfully conducted searches for roles such as Medical Directors, Section Chiefs, Practice Leaders, Clinical Physicians, Clinical Investigators or Physician-Scientists, connecting organizations with professionals who drive growth, quality outcomes, and patient satisfaction.

Our approach goes beyond filling positions. We build strategic, long-term partnerships, offering market insight, national reach, and recruitment expertise tailored to your unique goals and culture.

Whether your organization is expanding its oncology service line, launching a new cancer program, or seeking to strengthen leadership within an existing practice, Kaye/Bassman is your trusted partner in building high-performing teams that make a lasting impact.
