

ACADEMIC HEMATOLOGY AND ONCOLOGY

ABOUT KAYE/BASSMAN

Kaye/Bassman was founded in 1981 with the mission to positively impact companies and enhance careers by providing the finest in professional, executive, technical and scientific search.

Our mission coupled with our *Client Focused Search™* approach and *Market Mastery* has vaulted us to become the largest single-site search firm in the country.

It is our **Specialization** by functional area, industry sector, position and geographic location; **Flexibility** in customizing our process, relationship and terms around the unique needs and expectations of our clients; **Array of Services** that ensures our ability to handle any staffing challenge; and **Track Record** of success enables our clients to gain a competitive advantage and candidates to advance their careers.

The Kaye/Bassman Academic Hematology and Oncology Practice is a team of highly skilled consultants with more than 100 years of combined recruiting and consulting experience in healthcare. Our proven search capabilities result from an in-depth and unique understanding of the hematology and oncology marketplace. As a result of our knowledge and search success, clients seek Kaye/Bassman for expert counsel and candidates enlist our services for career enhancing opportunities at outstanding organizations.

Our team recruits and consults within the academic hematology and oncology community nationally specializing at all levels including Chairs, Vice Chairs, Division and Section Chiefs, Directors, clinical faculty and basic scientists.

Kaye/Bassman has a proven track record in placing highly skilled physicians at key institutions across the nation. We place a tremendous value on the long-term client and candidate relationships that have been built over the years.
