The Kaye/Bassman Academic Internal Medicine Practice is a team of highly skilled and expert executive search consultants with more than 100 years of combined recruiting and consulting experience in academic healthcare. Our proven search capabilities result from an in-depth and unique understanding of the internal medicine marketplace. As a result of our knowledge and search success, clients seek Kaye/Bassman for expert counsel and candidates enlist our services for career enhancing opportunities at outstanding organizations.

Our deep market coverage allows our team to recruit and consult within the academic internal medicine community nationally specializing at all levels ranging from Department Chairs, Vice Chairs, Division and Section Chiefs, Directors, Residency Program Directors, and clinical and research faculty. Our expertise includes all subspecialties and functions within the internal medicine domain.

Kaye/Bassman has earned the reputation of placing highly-specialized physicians and leadership at key institutions across the nation, as well as has a demonstrated track record of success in building departments and raising the clinical education and clinical research profiles of new programs, especially in rural and underserved areas. We place a tremendous value on the long-term client and candidate relationships, built over many years.
