The Kaye/Bassman Academic Nursing Practice has a distinguished history of assisting clients and candidates achieve their goals. Our team is eminently well versed in the language, funding mechanisms, and varying missions of Academic Nursing. We understand the ever-changing nature and needs of Academic Nursing, especially in a time where the need for Nurses and Academic Nurse leadership is constantly on the rise.

Given our extensive network of industry contacts and longstanding relationships, we excel at meeting strategic academic nursing faculty and leadership recruitment initiatives for academic nursing schools and programs, colleges, and universities nationwide. These clients span the spectrum from comprehensive nursing colleges with several program options, especially in rural and underserved areas, to accredited community colleges and schools of nursing with the top 50 undergraduate nursing educational programs in the nation.

Kaye/Bassman has both the infrastructure and deep market coverage to strategically identify, hire, and retain highly specialized academic nursing leadership and administration at all levels. We understand the requirements of starting a new program from the ground-up, improving a program for reaccreditation, and assisting a program to reach the next level and beyond.

Our typical searches are for executive level academic nursing leadership positions in institutions seeking to prepare professional nurses as generalists and for advanced practice, teaching, research, and administrative roles, thereby enhancing health care for the communities they serve.
