The Kaye/Bassman CRNA Practice is called upon by leading health systems to handle the most challenging and critical searches for talent in the CRNA profession. Our clients include leading health systems and standalone surgery centers, cosmetic plastic surgery centers, dental, oral and cosmetic dental surgery centers and passthrough day surgery centers.

Kaye/Bassman is recognized as the firm that delivers positions in a timely manner with the best talent available. Our extensive experience on both the clinical and administration side of the healthcare industry gives us a unique understanding of the healthcare world and a competitive advantage in the search realm.

Kaye/Bassman specializes in placing CRNAs in both full-time regular and locum tenens positions nationwide. Our synergistic approach allows us to recruit and consult at all levels - from Chief CRNA to Staff CRNA positions. This insures maximum market coverage for candidates and clients for over twenty years. We have successfully completed searches for permanent and locum CRNAs as well as other healthcare related opportunities.

We have the tenure and the resources to help clients address these staffing challenges. We have a proven track record in placing highly skilled CRNA candidates at premier institutions across the nation for select clients. Our success is due to the tremendous value we place on long-term client and candidate relationships.

We are recognized as an industry expert for market knowledge expertise by The Wall Street Journal, Fortune, Business Week, USA Today, Fox News, and CNN. We understand that no two companies are the same, and our Client Focused Search model along with our extensive experience gives us the flexibility to adapt to any changing needs or requirements that you might have.
