## Security

Kaye/Bassman's security recruiting practice specialises in identifying, attracting and acquiring high calibre individuals for companies throughout the security industry worldwide. Our longstanding client and candidate relationships makes us a highly sought after resource for top security professionals.

Our expertise ranges from board level to mid-level management professionals who specialise in the areas of Sales, Engineering, Management, Product Development for Security Manufacturers, Integrators, Distributors and Service Providers.

Our experienced team is comprised of search consultants who have lived and worked in the United States and Europe, enabling us to offer a truly global security industry market awareness and presence.

Our security practice has experience in over 40 countries worldwide. In a testament to the global success expected from our clients and candidates, over sixty percent of our business is garnered from repeat clients and fifty five percent from outside the US.

Kaye/Bassman has the tenure and the resources to help clients address their international staffing challenges. We have a proven track record of placing highly skilled candidates at key institutions globally for select clients. We succeed because of the tremendous value we place on long-term client and candidate relationships.

We are also recognised as an industry expert for market knowledge by The Wall Street Journal, Fortune, Business Week, USA Today, Fox News, and CNN. We understand that no two companies are the same, and our Client Focused Search model and extensive international experience gives us the ability to adapt to your changing needs or requirements.
